AZZUCAR! Latin soul Party is the newest Latin club in town. If you are into quality music, energetic live performances, Latin beats, dance, a different experience, just good entertainment, or all of the above, just hit AZZUCAR! at Clarke Quay, Central Square, by the fountain, 2nd Floor.

The difference? "Of-course it is the music!" declares AZZUCAR!'s Owner and Director, Miguel Morales. " We feature the newest in Latin music from Latin Funk, Latin Pop, the most contemporary Salsa, Plena, Merengue, Reggaeton and more." Familiar English contemporary tunes are also belted out, re-arranged to heavy Latin beats.

LIVE LATIN BY "CUBANIA" FROM HAVANA, CUBA

CUBANIA, is the only all Cuban band in Singapore, comprising of six, highly multi talented musicians, hand picked by Morales himself. Five exotic ladies and one guy, their sexy Cuban moves are all natural bringing out their colourful cultural heritage.

The energy and talent of the young musicians along with Morales are profound. It is a well rounded and visually entertaining performance with sexy dance moves the Cuban way, with lots of natural teasing and engagement with the audience.

Miguel Morales, himself is a seasoned performer, having toured in Italy, Mexico and China. Now in

Singapore, he performs and directs the band at AZZUCAR! his new venture at Clarke Quay.

Lead singer Zuailin Valdez, is a sizzingly hot, tall, long legged beauty, but also charming and engaging. She belts out tunes whilst moving fast and furiously to Cuban beats. Her voice is well honed with a raspy, sexy undertone. She is also an accomplished musician and plays piano as well as the flute.

Janet Ibarrollin is the main piano player who arranges all the music. She also plays the clarinet and saxophone. Tall, slim and beautiful, she is also an accomplished dancer and sings some of the repertoire. Her voice is big and jazzy and she pulls off some of the well known Latin songs with high energy.

A favourite with the audience and youngest in the team is Ismaray Chacon, the conga player. Tiny, lithe and expressive, she looks like a pixie behind the large congas but her energy is infectious as she dances rigorously to the tunes, keeping perfect rhythm.

Mirley Arias plays piano and Joenna Guemes plays bass. Both strong support to the overall energetic performance of the band

Pablo Calzado is the drummer. Besides Miguel Morales, the only other male. He pulls off consistently, a flawless performance, with perfect rhythm, just the right touch, producing intricate drumming of polyphonic sounds required in Latin music.
